

**“SIX IMPORTANT DAYS”**  
**PSALM 90:12**

**INTRO:** Our lives are lived on a DAY BY DAY basis. But within that DAY BY DAY process of life, there are certain days which are very meaningful to us. These days include our birthday, our graduation day, our wedding day, our baptism day, or retirement day, and so forth. As we study the Word of God we find there are CERTAIN DAYS THAT ARE VERY IMPORTANT AS WELL because of what took place on those days. So in this message, I am going to highlight **SIX IMPORTANT DAYS** that made a difference in the course of the world in general, as well as in our own personal lives specifically.

+++++

**COMMENT ON THE TEXT:** Our text gives us a very significant biblical principle to consider. **“SO TEACH US TO NUMBER OUR DAYS THAT WE MAY APPLY OUR HEARTS UNTO WISDOM.”**

**THE POINT IS:** We are to constantly evaluate our days to make certain that we use them wisely according to biblical truth.

**AN APPLICATION:** There is a very practical application we can draw from this text that will lead us to a better relationship with the Lord. *Days are important because important things happen on days. Both in the Bible as well as in our own lives there are important events that have happened on certain days that have changed the course of the world generally, and our lives specifically. Approaching those days with divine wisdom will determine our appreciation of and effectiveness for the Lord as well as our character on earth and our destiny for all eternity. Let's take a penetrating look at some of those significant days.*

Those are the days of our salvation and our death. **PLEASE MAKE SURE THAT YOUR SALVATION IS CERTAIN SO THAT YOUR DEATH WILL BE YOUR ENTRANCE INTO HEAVEN.**
