

"THE JOY OF DOING EVANGELISM"

2 TIMOTHY 4:5c

INTRO: Perhaps one of the reasons why many Christians neglect doing evangelism is because they do not understand the JOY THAT IT BRINGS. Therefore, let's consider the **JOY OF DOING EVANGELISM**. Carefully and prayerfully considering these biblical principles may motivate us all to become more involved with God's plan for each of us to do our part in **REACHING THE WORLD FOR CHRIST!**
