Transportation Permission Form

I give permission for my child to ride the Faith Baptist Church bus/van. My child will be transported to the church and will be brought back to the same location that the child got on the bus/van. My child is also expected to sit in whatever seat he/she is instructed to sit in and to show kindness to others on the bus/van. Failure to show kindness or to follow instructions will result in the child not being allowed to ride the bus/van. Any communication—such as if you will be picking your child up at the church or if you want them let off of the bus/van with a friend who also rides the bus/van MUST be done by a written & signed note given to the driver or rider.
