

**THE FAITH BAPTIST CHURCH OF ALTOONA**  
**SPIRITUAL PRAYER REQUESTS**

1. Please continue to pray for the persecuted Christians around the world. Persecution of Christian believers is growing more and more. It is said that Christians are being persecuted more today than ever. So, please make this a major part of your prayer life.
2. Please pray for Brother Nehemiah who is now in Kenya doing ministry there for the Lord. Pray also for Anila, Rachel and Elijah as they are here without him.
3. Please pray for Bethany Boston who will be with us all day Sunday. Bethany is a single missionary lady we have supported for many years but has not been with us for a while. She is involved in Bible translation.
4. Please pray for the salvation of the following: Jason, Brad, Ed, Matthew, Autumn, Tristen, Draven, Damien, Daemon, Kim, Chase, Karen, Erica, Melissa, Ryan, Jen, Alexis, Lorraine and others.
5. Please pray for Pastor Gary who is preaching a Revival Service for Dr. John Hodge. So far, there have been two saved and a number of other decisions in every service. The revival meeting ends tonight. Pray that the working of God will be seen in a mighty way.
6. Please pray for the upcoming NATIONAL BIBLE READING MARATHON which begins May 1st. Pray that God will use it to bring salvation, truth and righteous living to many in Washington, DC and around the world.
7. Please continue to pray for the needed funds for the SOLID ROCK BAPTIST CHURCH in Cuenca, Ecuador. \$50,000 of the needed \$400,000 has been received.
8. Please pray for the funds needed to purchase new TV production equipment. Approximately \$6,000 is yet needed for the purchase.
9. Please continue to pray for 20 of the WOTM missionaries in Asia and Africa that need to be supported \$100 per month so that they can continue their ministry effectively.

**Praise Items:**

1. Praise the Lord for the men he continues to bring across our path to help as team members and advisors.

**Prayer Requests:**

1. Please pray for our current lead project that deals with the electronic surveillance threat of missionaries serving in restricted access and sensitive countries.
2. Please pray for several experts in the field that have come along side to assist as we develop what an electronic profile should look like for our missionaries and, also, their sending churches. Why is this important, you might ask. Through electronic surveillance and exploitation of personal devices, hostile actors have been able to identify and locate not only our folk, but the national Christians in an area. These are then arrested or harassed. Several American faith workers and missionaries have been located, tracked and then captured for ransom through the use of electronic surveillance and monitoring. This is preventable. Please pray with us as we research this subject and in the near future make our recommendations to sending churches and missionaries.

**PRAY FOR OUR NATION!**
