Has established a fund to combat the Ebola Virus in West Africa.***

Altoona, PA – The Way of Truth Ministries, a mission organization with head quarters in Altoona, PA, that has missionaries located in Asia, Africa and The United States, has established a fund to combat the Ebola Virus in West Africa. WOTM has 10 separate ministries and 40 workers in Liberia where the Ebola Virus has taken the lives of many and continues to spread throughout all of West Africa.

Through the established fund of WOTM, medicine, rice and financial aid will be given to help bring relief to those who are suffering with the Ebola Virus. The “EBOLA FUND” is set up in such a way so that NO MONIES will be taken out for administrative purposes meaning that 100% of all donations will go directly to West Africa and to those in need.

Donations may be sent to: The Way of Truth Ministries, 315 40th Street, Altoona, PA, 16602.

Checks may be payable to WOTM, earmarked “EBOLA FUND.”

The Way of Truth Ministries is a “sister ministry” of the Faith Baptist Church of Altoona, PA but is a separate 501 c 3 corporation on its own established in 1989. Dr. Gary G. Dull serves as founder and President.
