3. Praise the Lord Ben has been preaching monthly, sharing in preparations for Thursday evening Bible study and Wednesday morning men's book study.
4. Praise the Lord that the boys have been working with a new homeschool program that has been a tremendous help to all of us.
5. Praise the Lord that Nolan is now running the sound and video of services for the church, which is a blessing since we are having to do online services.

Prayer Requests:

1. Please pray as Covid-19 cases are rising. The Japanese borders are closed unless you have Japanese residence.
2. Please pray for Ben's language school that remains closed, most of the other students are international students, who have not been allowed into Japan.
3. Please pray as we are having legal issues with our 2018 taxes, somehow, someone has had our return deposited into their account, this has kept us busy trying to solve the issue with much research, emails, filing police reports, etc. Now we wait.
